### 2.5.2 Mechanism to Internal Examination related grievances

The College, for fair, equal and impartial treatment of all students in all spheres of work, including assessment and evaluation has a dedicated Cell, for redressal of all grievances, including those related to examination. The Cell, on receiving a complaint, resolves the issue within a week. Valuation at College level begins on the day of the test itself. Valued answer-scripts are shown to the students discrepancies are rectified by teachers promptly and communicated to students ensuring effectiveness of the examination while the subject is still fresh in their minds. Due to the open and transparent system, there have been no examination related grievances till date. After the outbreak of the COVID-19 pandemic, assessment methods have seen a drastic change from the regular pen and paper method to the online mode. Whereas the College conducts assessment using mostly Google Forms, and conducts examinations of students having backlog in the University, the University itself has devised its own software for conduct of Semester Examinations. The University invites a written list of students who face technical difficulties such as login, from the College, and students whose difficulties are validated are given a re-examination by the University.
