7.1.1 Facilities for women on campus

The college always tries to enhance the specific facilities to both boys and girls without any discrimination about their gender. Still for women to feel safer and secured college have special arrangements like women common room, CCTV cameras, Vending machine, complaint box etc.

Safety and Security:

1. Every student whether boy or girl, have dress code, wear an I-card, so they are recognised as college students and other outside students are not allowed in classrooms. By following this rule girls get protected in college premises.
2. Institute has installed CCTV cameras in every corridor, so no offenses can occur and girls remain protected.
3. The institute has separate toilets which are on long distance from each other.
4. Institute has enough number of lights, so sometimes during evening also girls remain protected.
5. For being relaxed and comfortable institute has common room for girls.
6. In common room of girls' installation of sanitary Napkin vending machine is done.
7. The institute has contact numbers of local doctors, so during emergency we call to the doctors for girls or boys too.
8. College gives equal opportunities for girls in all social and cultural activities as well as promote girls for organizing and conducting various college level programs.

Women's Cell- The Institute has women's committee where this committee organises different programs for girls' health and development. Women's Cell give attention towards girls mental and physical problems encountered during the college hours. Whenever necessary committee arrange various health related programs by inviting doctors.
