### Vision and Mission

**Vision Statement:** The women students through learners can contribute a lot towards National— reconstruction and development, which shall finally lead us towards the balance between not only in body and spirit but also in the intellect and emotion. The vision of institute is to inculcate good values in students and to make education— more accessible to rural and backward class students of this region. To create a class of intellectually, morally sound and committed citizens, who will— become a human resource of high caliber; cater the need of society by taking into rapid changes in the global scenario. With the vision to impart value education to the students from all strata of life,— management always encourage teaching staff to develop holistic approach that enhances collaborative approach, professional relationships with various competent industries and research institutes. In fact this encouraging environment makes teachers take forward the vision—

developed by the management through various committees. College NSS Unit is another fine example of making students play active— participatory role in developing ideal society. Even the Sports department helps shaping personality of the students to face the— challenges of world.

**Mission Statements:** To serve selflessly towards the cause of human excellence especially in character— building, personality development and empowerment of women through knowledge and higher education. To expand the range of disciplines/subjects available to students at the under-graduate— level. To introduce post-graduate programmes in a phased manner.— To consistently upgrade its teaching-learning policy, methods and apparatus so as to— be able to deliver its core services in a relevant and up-to-date manner. To continue to enhance its extension activities and outreach programmes for the— teaching staff and students.

The second meeting in this academic session of IQAC of Dr. R. G. Bhojar ACS College, Seloo dully called and held on dated 14<sup>th</sup> February 2022 at IQAC office, connecting at 03.45 pm. 16 members were present in the meeting.

### **Significant Contribution During the Session 2021-2022 for Quality Enhancement & Sustainability by the IQAC**

The Name of **Dr. R. G. Bhojar Arts, Commerce & Science College, Seloo** has been broadly known to all since last decade. The college started in 2008 and has completed 15 academic years. The college opened the new horizon for the upcoming sections of the weaker and socially backward society especially the women in the fields of Science, Commerce, Arts and Management.

1. The Institution has started R.T.M. Nagpur University recognized Centre for Higher Learning & Research in Commerce subject in 2021.

2. The department of Library automated by the institution for better services to students with advance software 'LIBSOFT' and to provided accessible repository through 'OPAC' to students. On the other hand, the department of Library took subscription of 'INFLIBNET Centre' for not only teachers but also students.
3. Institution had organized soft skills programs for students of their overall development such as NSS department organized many soft skill based programs apart from that various departments and committees engaged in various webinars.
4. The institution was upgrading physical infrastructure enormously in which number of classrooms increased, new laboratory made for P. G. Courses in Zoology, Botany & Physics
5. In the last five year increase number of placement of faculties under CAS as 07 faculties.
6. The alumni association has been registered on dated 18 August 2020 successfully by the Maharashtra Government with the registration number maha/86/2020.
7. During the pandemic situation of Covid-19, all faculties used to online teaching through Google Meet and Zoom Meet, Generate E-Content like Videos.

Date:

Bor National Sanctuary and Nagpur : 09/12/2021

Time: 7:30 am to 8:45 pm

Bor National Sanctuary is a forest area situated about 16 kms from Seloo. This is very beautiful area to study the vegetation and the students were able to observe a forest area. During the study tour, students were able to observe a variety of plants belonging to different plant groups and dam area. The students were motivated which developed an interest in them to learn through experience. Students were able to observe some of the medicinal plants and know the medicinal importance of them. During the course of the tour they have captured the photographs of wild plants. To name a few plants captured viz. *Riccia sp.*, *Funaria sp.*, *Adiantum*, *Nephorlepis*, silver fern, *Tectona Grandis*, *Terminalia arjuna*, *Sop*

*hubia sp.*, *Andrographis paniculata*, *Peristrophe bicalyculata*, *Achyranthus aspera*, *Amaranthus spinosus*, *Celocia argentic*, *Digera muricata*, *Alternanthera sessilis*, *Buchnanian lanzan*, *Hollarhena pubescence*, *Plumeria rubra*, *Amorphophallus sp* . etc.

After taking tea, we were moved to Nagpur. At Nagpur, first we visited to the Raman Science Centre. We were learned lot of things like different planet, 3 D dimension pictures, Some physical instruments etc and also observed the different plant species in the botanical garden. There, we were taken lunch and then moved to the Diksha Bhoomi. We were given tribute to Dr. Babasaheb Ambedkar Father of Modern India and leaned the thought about Indian constitution. At evening, we were come back to Seloo.

During travelling, we were discussed about all over excursion and play ant akshari.

The overall result of the study tour was very excellent and developed a positive impact regarding vast diversified flora of the region.

**About Conference**

Medicinal plants contain valuable ethnobotanical information that could navigate new drug discoveries. The biological resources such as plants, animals and microorganisms exhibit bewildering properties wherein their whole parts or derivatives can be used for social, economic, environmental, traditional medicines, scientific and chemotherapeutic purposes. Plants are used as bulk ingredients in traditional medicines which provide the primary health services to 80 % of the world's population. During COVID-19 global, financial and public health have become declined due to pandemic period. The current situation gives us the warning signal about scientific cooperation which is an important key while dealing with global, public health issues. Hence the present Theme- "Medicinal Plants: National Health and Wealth (MNP:HW-2022)" is appropriate topic to put the ideas in the present scenario. The research in biological sciences is necessary in order to provide safe and abundant food supplies for the growing global community with sustainable approach to process our natural resources. The primary purpose of the present conference is to provide a platform to leading scientists, researchers, academicians, authors and make hobbies to exchange and share their experiences and research findings on all aspects of medicinal plants.

### Report of Guest Lecture on “Molecular Orbital Theory”

**Date :28/04/2022**

**Time: 11:00 am.**

Department of chemistry arranged guest lecture for B.Sc. II year students on “Molecular Orbital Theory” the lecture was given by Prof. Tejasvini Ingole, Assistant Professor dept. of Chemistry New Arts, Commerce & Science College, Wardha. Who gave valuable knowledge about “Molecular Orbital Theory” to the students. Dr. R.G. Bhoyar Arts, Commerce & Science College, Seloo. which was held on **28/04/2022 at 11:00 am.** With the prior permission of Dr. S.S Kanode Principal of Dr. R.G. Bhoyar Arts, Commerce & Science College, Seloo, Mr. Wasim A. Khan Assistant Prof. & Head , department of Chemistry, introduced the guest speaker and it was concluded by Dr. Vibha M . Nikose.

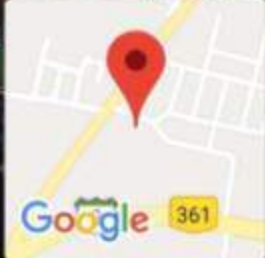

**Outcome:**Sixty Seven student participants were benefited by this guest lecture. Students acquired the knowledge about various applications “Molecular Orbital Theory”

Name of the Activity	<b>One Day National Webinar on "Where Chemistry could take You In Research"</b>
Date of the Activity	<b>14/10/2021</b>
Organized by	Department of Chemistry
Organizing unit/agency/collaborating agency	IQAC of DR R G BHOYAR, ARTS, COMMERCE, AND SCIENCE COLLEGE, SELOO & ARTS AND SCIENCE COLLEGE.
Number of Beneficiary	<b>171</b>
Brief Report	<p><b>The Activity Details</b></p> <ul style="list-style-type: none"> <li>• Webinar was started at 11:00am</li> <li>• IT was conducted on Zoom platform and Live Streaming on YouTube also.</li> <li>• In start Dr Ankush W Wakode gave introduction about our college and this Webinar along with Dr Ashok Dawande, IQAC Co-ordinator gives opening remark and Dr Dr B P Ghaisas, Principal Dr R.G. Bhojar , Arts, Commerce &amp; Science College, Seloo (Formerly known as Vidyabharati College, Seloo) put his views about the webinar.</li> <li>• Then Dr Manisha N Gulhane invited our Chief Guest Dr Dinesh N Sawant, SCIENTIST Organic Chemistry Division CSIR-National Chemical Laboratory (NCL Pune) to address our participants with his words of lifetime.</li> <li>• Then Dr Manisha N Gulhane invited our Key Speaker <b>Dr Dinesh N Sawant</b> for our Webinar topic "<b>Chemistry and Carrier</b>"and he describe this topic in the following order</li> <li>• How to make Curricular vitae.</li> </ul>

- How to give interview.
  - Selection of Area of research.
  - Basic requirement to join IITs, NCL, IISER, POST-DOC
- After the core session of 55 min Q&A session started and hosted by DR A W Wakode & Dr **Dinesh N Sawant** responded on the queries

Then Prof W A Khan invited our Chief Guest **Dr Mohsin Y Lone** Professor, Department of Chemistry, GDC For Women , Baramulla, Jammu & Kashmir UT, INDIA. to address our participants with his words of lifetime.

Then Prof W A Khan invited our Key Speaker **Dr Mohsin Y Lone** for our Webinar topic “ **Where Chemistry could take you in research**”and he describe this topic in the following order

- How to prepare for NET/SLET/GATE exam.
- How to crack the NET/SLET/GATE exam.
- Opportunities after cracking NET-JRF and GATE.
- How to get fellowship.

After the core session of 55 min Q&A session started and hosted by Prof W A Khan & **Dr Mohsin Y Lone** responded on the queries. After completion of 05 minutes Q&A session. **Dr A W Wakode** invited **Prof Wasim Khan** for vote of Thanks.

- The session was extremely useful for the participants And Dr A W Wakode closed the session talking about his experience for this session .

#### **OUTCOMES & OBJECTIVES ACHIEVED**

- This complete session was very interesting for participants; they become able to deal with future research.
- Entrance examination for Post gradation.
- Regarding the SLET/NET/GATE exam.

So the participants will be able to deal with such challenges and explicating the opportunities by considering following factors in mind-

- Enhance technical capability.
- Be more connected to fast changing world

- || Try to be expert rather all in one
- || Inducting advance technologies in curriculum
- Special emphasis on communication skills etc.

Report of **Virtual Guest Lecture on" FUTURE IN MICROBIOLOGY'**

**16 September, 2021**

Department of Microbiology, Vidyabharti College, Seloo has organised the **Guest Lecture** on '**FUTURE IN MICROBIOLOGY'** on the occasion of "**International Microorganisms Day**" on **16/09/2021** at 11:00 AM. The event was organised by Dr. Shilpa P. Mankar, HOD Microbiology, and Dr. Kshama W. Murarkar, Assistant Professor, Vidyabharti College, Seloo, Dist.Wardha.

The guest speaker Hon. Dr. Sanjeev Patankar , President, Microbiologist Society, Maharashtra explained all the terms regarding to career opportunities in the field of Microbiology. He committed to all students to help and guide for their post graduate program selection by Microbiologist Society India (MSI). Dr. Bhaskar Ghaisas, The Principal, Vidyabharti College, Seloo appreciated to this lecture. Vote of thanks was given by Dr. Kshama Murarkar. Students asked the questions and they got the satisfied answers by Sir.

**Outcome:** About fifty students were benefited by this guest lecture.

1. Students known about the career opportunities in the field of Microbiology.
2. Students have achieved the knowledge of different post graduate department of same as well as other universities.
3. At the end of the guest lecture students are satisfied with the answers given by guest speaker.

Report of **Virtual Inaugural Program of 'MICROBIOLOGY STUDENTS UNIT'**

**16 September, 2021**

Department of Microbiology, Vidyabharti College, Seloo and Microbiologist Society, India (MSI) has organized the 'MICROBIOLOGY STUDENTS UNIT' on the occasion of "International Microorganisms Day (17 September)" on 16/09/2021 at 10:00AM. The event was organized by Dr. Shilpa P. Mankar, HOD Microbiology, and Dr. Kshama W. Murarkar, Assistant Professor, Vidyabharti College, Seloo, District- Wardha.

The program was inaugurated by Dr. Suhas Khandare Coordinator MSI, RTMNU, Nagpur, Associate Professor and HOD, Microbiology, Bajaj College of Science, Wardha in presence of Hon. Dr. Sanjeev Patankar, President, Microbiologist Society, Maharashtra and Dr. Bhaskar Ghaisas, The Principal, Vidyabharti College, Seloo. She explained the importance of International Microorganism's Day as well as the information about Microbiologist Society India (MSI) and formation of Students unit. Vote of thanks was given by Dr. Kshama Murarkar. Students shared their views about this day and asked the questions.

Outcome: About forty five students were benefited by this event and almost students became the part of Microbiologist Students Unit.

- Students increased the knowledge of Microbiology subjects.
- Through this unit students can interact with each other as well as renowned Microbiologist.
- Students increased their communication skill and self-confidence.
- They can share their knowledge among themselves.
- Microbiologist society can also share the various subject related platforms through the society to every students.

# कार्यशाला में विद्यार्थियों को सिखाए उद्योजक बनने के गुर

संवाददाता | सेलू

डॉ. आर.जी. भोयर कॉलेज ऑफ आर्ट्स, कॉमर्स, साइंस सेलू (विद्याभारती) में महामन्त्रयसचिवलॉजी और महात्मा गांधी इंस्टीट्यूट ऑफ टेक्नोलॉजी (एमजीआईआरआई) वर्षों में संयुक्त रूप से विद्यार्थियों के लिए उद्योजक जागरूकता कार्यशाला आयोजित की गई थी।

कार्यक्रम एम.एस.एम.ई. यह भारत सरकार के उपक्रम के तहत आयोजित किया गया था। पिछले दो वर्षों में कोविड-19 का शैक्षिक, औद्योगिक, सामाजिक और आर्थिक क्षेत्रों पर व्यापक प्रभाव पड़ा है और इससे रोजगार में उल्लेखनीय गिरावट आई है इसलिए विद्यार्थियों में औद्योगिक जागरूकता निर्माण करने की आवश्यकता है।

इस पृष्ठभूमि में, महात्मा गांधी औद्योगिक संस्थान (एमजीआईआरआई) वर्षों के उप निदेशक रवि कंडास्वामी और शिक्षित कदम ने महाविद्यालय

में उपस्थित होकर विद्यार्थियों का मार्गदर्शन किया।

इस समय महाविद्यालय के प्राचार्य डॉ. संजय कानोडे ने विद्यार्थियों को कॉलेज में विभिन्न गतिविधियों के साथ-साथ स्वरोजगार कैसे बनाया जाए और इस माध्यम से आत्मनिर्भर भारत की अवधारणा को कैसे

स्वकार किया जाए, इस पर मार्गदर्शन किया। कार्यक्रम का संचालन शिल्पा मानकर ने किया और आभार प्रदर्शन डॉ. क्षमा मुरारकर ने किया। कार्यक्रम में महाविद्यालय के प्राध्यापक, कर्मचारी एवं छात्र-छात्राएं उपस्थित थे।

DEPARTMENT OF MICROBIOLOGY & BIOCHEMISTRY

Report of NATIONAL SEMINAR ON WORLD CANCER DAY

February 04, 2022

The Department of Microbiology and Biochemistry in association with IQAC and Cluster of thirteen Institutions (CoTI) organised one day National Seminar on the occasion of "World Cancer Day" dated 04/02/2022. The invited resource person of this seminar was Dr. Bhupesh Dahat (BDS). Dr. Kshama Murarkar, Assistant Professor, Department of Microbiology and one of the organisers of this seminar greeted all the guests by welcoming them. Dr. Shilpa Mankar (Gawande) Madam, Head of department of Microbiology, Convenor and Co-ordinator of collaborative activity (Under MoU of CoTI) enlightens the event, and introduced the resource person.

Dr. Bhupesh Dahat started the session by explaining the importance of World Cancer Day. They particularly focussed on types, and causes of cancers. Also portrayed the important points i.e., stress, routine diet, and lack of workout responsible for cancerous growth. They mentioned today's hectic life style, eating of fast food, and lack of physical activity is the one reason for various types of cancers. Apart from that sometimes-genetic factors can also be the causative agent of cancer. Dr. Dahat also described, gene of cancer get triggered due to stressful life, preservatives in fast food, and nicotine's products, and alcohol etc. Sir also shared their past and present personal experience of oral cancer patients as nodal officer under tobacco control program in Digrus, Yavatmal, and as a dental practitioner. He also described the bad effects of eating tobacco, ghutka and supari, and start of symptoms of oral cancer. This was interactive session; students for different colleges as well as faculties interacted with Dr. Dahat by asking their queries related to cancer. The seminar was also addressed by Chief guest, Dr. Sanjay Kanode Sir, Principal, RGBACS, Seloo, dist. Wardha. Sir, explained the importance of stress management, good eating habit, and harmful effects of tambaku, ghutka and supari. The program was concluded by Dr. Suraj Adole Sir, HOD of Biochemistry, and one of the organisers of this seminar by giving special vote of thanks to resource person, chief guest, convener, organisers, faculties and students. This seminar was very successful as guest speaker convey, their thanks to the principal for inviting them for this social awareness seminar.

Outcome: About seventy students and faculties were benefited through this seminar.

1. They were aware about the causes, severity, and types of cancers.
2. They also acquainted with bad effect of ghutka, supari and tobacco on human life.

Report of "World AIDS day"

1<sup>st</sup> December 2021

Department of Microbiology, Dr. R.G. Bhojar arts, Commerce and Science College (Vidyabharti College, Seloo), Seloo, District- Wardha and Microbiologist Society, India (MSI) has organized the questionnaire on the occasion of the day, "World AIDS day" dated 1<sup>st</sup> December 2021.

With the prior permission of Principal Vidyabharti College, Seloo Dr. Sanjay Kanode sir, Dr. Shilpa Mankar, Head of Department and Dr. Kshama W.Murarkar, faculty of Microbiology, Vidyabharti College, Seloo organized HIV-AIDS awareness questionnaire. They prepared the questionnaire in Google form, and released the link among the students on WhatsApp group. About fifty students of B.Sc. B.A. and B.Com were attempted this questionnaire.

The main aim of questionnaires was to create awareness about this communicable disease among the students because everyone should be aware the society to reduce the spread AIDS. The questions are related to causes of viral disease AIDS, spread of AIDS, and prevention of AIDS.

Outcome - About sixty eight students were benefited with questionnaire.

1. Students of Science faculty along with Art and Commerce gained the knowledge of AIDS in detail by solving the questionnaire.
2. They aware about Acquired Immuno-Deficiency Syndrome (AIDS).

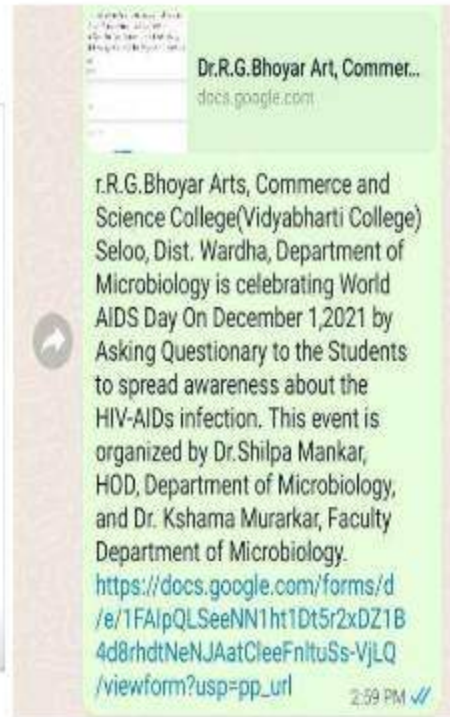

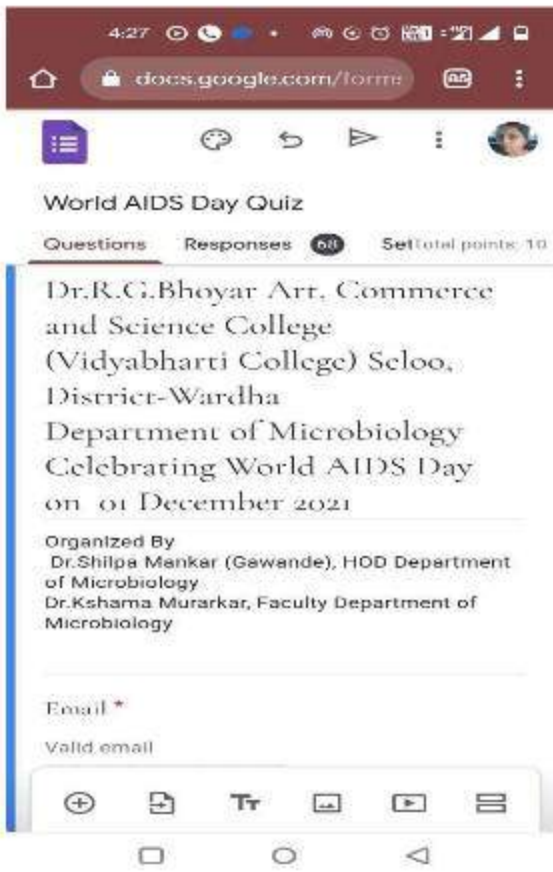

Topic - "World AIDS day".

Date & Time- 1<sup>st</sup> December 2021.

REPORT ON ONE DAY SCIENCE EDUCATIONAL TOUR (DATE: 13/04/2022)

Aim: To give practical education to the students, and to create interest in green research

As a part of curriculum of B.Sc. students, department of Physics, Microbiology, Zoology, Biochemistry, Botany, Chemistry and Mathematics in association with IQAC, Dr.R.G. Bhojar Arts Commerce and Science College (Vidyabharti college) organised one day educational tour on 13/04/2022. Dr. Sanjay Kanode (Principal), Prof. Sonal Panchabhai (Convenor) along with organising committee members; Dr. Kshama Murarkar, Dr. Vaishali Badwaik, Prof.Suraj Adole, and Prof.Anurag Khupat selected Biodiversity Park, Nagpur, Raman Science Centre and planetarium, Nagpur, and National Environmental Engineering Research Institute Nagpur (NEERI) for this educational tour.

Outputs: About thirty-three (33) students were benefited by this educational tour.

In Raman Science Centre and Planetarium students gained the knowledge of;

- Various physical theories/laws which was implemented practically in various playful experiments in this centre.
- Planetarium Show, 3D effects show and Science on Sphere Show
- Delivered Guest Lecture on "atmospheric pressure and surface tension" by Dr. Vilas D. Chaudhari
- Water conservation and innovative based demonstration
- Practical application of various theories of science

In National Environmental Engineering Research Institute (NEERI), Nagpur

- Students visited 'Harit Sangralaya' and gained various aspects about plant-based research and also provided a video clip on ongoing research based on innovative and sustainable development of environment for industry and society at various departments of NEERI
- Students gained the knowledge of Research and development (R & D) in green chemistry, eco-friendly techniques, Easy scientific methods to reduce the load of pollutants in air, water and soil.
- Students inspired with the R & D techniques developed and implemented by NEERI scientists.
- They also developed the interest in R & D which is the need of today's scenario.

*'Nanomaterial Synthesis, Characterization Technique and Applications '*

8 Dec. 2021

An online workshop has been organized by department of Physics in association with department of Physics Arts and Science College, Pulgaon and Indraprasth New Arts, Commerce and Science College, Wardha for Faculties, Researchers and Students. The aim of this workshop is to impart research skills to the beginners and give introductory knowledge on various nanomaterial synthesis methods, materials characterization techniques and Applications.

About more than four hundred participants including students, Researchers and Faculties throughout the Maharashtra and from other states also participated and enlighten by the experts Dr. Babasaheb Sankpal, Professor and Ex HOD, Department of Physics, VNIT, Nagpur and Dr. Smita Acharya, Professor and Director IQAC, Department of Physics, RTMNU, Nagpur

Dr. Sanjay Kanode, Principal chaired the inaugural programme, Dr. Vilas Hadge, Principal ACSC, Pulgaon and Dr. Ashish Sasankar, Principal, Indraprasth NACSC, Wardha were other dignitaries present for the workshop.

The convener of the program Dr. Prashant Chaudhari, Prof. Sonal Panchbhai, Organizing secretary Prof. Girish Tapare, Dr. Samir Bagade and Dr. Karuna Ganvir took efforts in successful organization of the program.

REPORT ON ONE DAY SCIENCE EDUCATIONAL TOUR (DATE: 13/04/2022)

Aim: To give practical education to the students, and to create interest in green research

As a part of curriculum of B.Sc. students, department of Physics, Microbiology, Zoology, Biochemistry, Botany, Chemistry and Mathematics in association with IQAC, Dr.R.G. Bhojar Arts Commerce and Science College (Vidyabharti college) organised one day educational tour on 13/04/2022. Dr. Sanjay Kanode (Principal), Prof. Sonal Panchabhai (Convenor) along with organising committee members; Dr. Kshama Murarkar, Dr. Vaishali Badwaik, Prof.Suraj Adole, and Prof.Anurag Khupat selected Biodiversity Park, Nagpur, Raman Science Centre and planetarium, Nagpur, and National Environmental Engineering Research Institute Nagpur (NEERI) for this educational tour.

Outputs: About thirty-three (33) students were benefited by this educational tour.

In Raman Science Centre and Planetarium students gained the knowledge of;

- Various physical theories/laws which was implemented practically in various playful experiments in this centre.
- Planetarium Show, 3D effects show and Science on Sphere Show
- Delivered Guest Lecture on "atmospheric pressure and surface tension" by Dr. Vilas D. Chaudhari
- Water conservation and innovative based demonstration
- Practical application of various theories of science

In National Environmental Engineering Research Institute (NEERI), Nagpur

- Students visited '*Harit Sangralaya*' and gained various aspects about plant-based research and also provided a video clip on ongoing research based on innovative and sustainable development of environment for industry and society at various departments of NEERI
- Students gained the knowledge of Research and development (R & D) in green chemistry, eco-friendly techniques, Easy scientific methods to reduce the load of pollutants in air, water and soil.
- Students inspired with the R & D techniques developed and implemented by NEERI scientists.
- They also developed the interest in R & D which is the need of today's scenario.

## 'Every house should make a butterfly garden'

District Correspondent  
WARDHA, Oct 2

**BUTTERFLIES** are one of the fascinating elements of nature and are one of the most appealing creatures on this earth. Everyone of them admires them and should try to create a habitat for them in their vicinity. Everyone of us can nurture them in the premises of their house and should try to create a butterfly habitat on the roof or in the balcony of their house. One should try to create their own butterfly garden by planting plants and shrubs that are important for the butterflies, said biodiversity researcher Dr Vijay Barve.

Dr Barve from Pune was speaking at a joint webinar organised to celebrate the Big Butterfly Month jointly by Bahar Nature Foundation and Vidyabharati College, Sehu.

Every year, the Butterfly Month is celebrated from Sept 4 in order to study and maintain record of butterflies in a scientific way. A lecture of Dr Vijay Barve on

The joint webinar on Big Butterfly Month in progress.

'Tulsi-kharachi Anokhi Dandhi' was organised to celebrate the month by Bahar Nature Foundation and Vidyabharati College recently.

During his lecture, he explained the difference between a butterfly and a moth, their flying methods, anatomy, scales, color scheme, sense organs and various other highlights.

He also informed that like birds some butterflies are also migratory, some butterflies don't feed on nectar. Even some butterflies imitate other species to learn techniques to save themselves

from enemies.

All over India the month of September is celebrated as Big Butterfly Month and studies are recorded in the whole country. Maharashtra is at the forefront of the research and studies on butterflies but maximum of the records are from the Western Ghats and Vidarbha is lagging far behind, he informed.

Dr Barve also appealed the scholars to increase the recording of butterflies and work towards conservation of these species if we have to increase agricultural production.

Butterflies are a very important component in ecological pollinating the flowers and therefore everyone should contribute towards the cause, was the opinion of many other participants in the webinar.

The online event was chaired by Bahar President Dr Debaji Ghawade. The introduction of the speakers was done at the beginning of the webinar by Head of Biology Department of Vidyabharati College Dr Ashish Tiple. The vote of thanks was proposed by Bahar Vice-President and honorary wildlife conservator Sanjay Ingle Tigavkar.

Principal of the Vidyabharati College Dr Ghanshyam Farang Dandge, Rahul Wakare, Dr Aarti Pranjali Ghose, Rajdeep Nathoo, Sushil Kabale, Pooja Desai, Dr Jayanti Wagh, Chitra Ingole, Saranda Wankhade, Avinash Bhole and others worked hard to make the event successful.

Nature lovers and young scholars from various districts of Maharashtra attended the webinar in large numbers.
