3 Months Certificate Course

ANNUAL REPORT

Session: - 2023-24

- During this session 2023-24, also culture, production and teaching for Black Soldier Fly waste management technology was conducted.
- The certificate course of this technology was registered for the 15 students from the faculty of B.Sc. and M.Sc.
- Students regularly bring vegetable and fruit waste from different sites and apply this technology to convert it into different products like BSF larvae and compost.
- Students from village fed these BSF larvae to their poultry, observed the results and found that the chickens like to feed on these larvae. Students learned that they can reduce their conventional poultry feed by feeding these larvae.
- The department also proposed this technology at Nagar Panchayat Seloo.
- The Nagar Panchayat Seloo sanctioned this technology from Maharashtra Government and received the grant.
- Department of Zoology constantly doing consultation for installation/setup for this technology at the waste collection site of Nagar Panchayat Seloo.
- At college level, students are learning this technology, so that they can apply it at a large scale for organic waste management.
- The students from School of Brilliant, Seloo visited to the college to learn this waste management technology on date 22nd and 23rd of February 2024.
