

Report on National E- Conference

On

Medicinal Plants : National Health and Wealth, Friday, 04th March, 2022

Date: 04th March, 2022

One Day National E-conference on “**Medicinal Plants : National Health and Wealth**” was organized by Post Graduate Department of Botany Dr. R. G. Bhoyar Arts, Commerce and Science College, (Vidyabharti College), Seloo today on Friday, 04th March 2022.

In the inaugural program,

Dr. Khushal N. Pathade, Convener of this conference and Assistant Professor and Head, Post Graduate Department of Botany Dr. R. G. Bhoyar Arts, Commerce and Science College, Seloo has given the introductory speech and to convey the importance of Medicinal Plants of India and welcomed the guests and all the delegates.

Guest of honor **Hon’ble Dr. D. P. Gogle**, Head, Molecular Biology and Genetic Engineering, Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur, India has focused particularly on the importance of medicinal plants for national health and why it is important in current scenario. He also lightens the traditional knowledge of medicinal plants through their speech.

Chairperson **Dr. Sanjay S. Kanode**, Principal Dr. R. G. Bhoyar Arts, Commerce and Science College, Seloo was once again welcomed the guests and all the delegates. He also introduce about the issues of national health and wealth through their speech.

The experts Hon’ble Dr. S. R. Yadav, Professor, Department of Botany, Shivaji University, Kolhapur (MH) India as well as **Hon’ble Prof. Raghavendra L.** Biodiversity Scientist, Professor and Head, Department of PG Studies, Research Methodology and Biostatistics, Dhanvantari Ayurveda College, Hospital & PG Research Centre, Siddapur (N.K.) Karnataka, India were invited as a resource person for conference.

The inaugural ceremony was concluded with the vote of thanks by **Dr. Ms. K. P. Ganvir** Asst. Professor, Department of Zoology, Dr. R. G. Bhoyar Arts, Commerce and Science College, Seloo. The inaugural function was ended at 11.25 AM.

After a short tea break, the **First Technical session** was conducted by **Hon’ble Dr. S. R. Yadav**, Professor, Department of Botany, Shivaji University, Kolhapur (MH) India and as a **chairperson Dr. N. M. Dongarwar** Professor & Head, Post Graduate Teaching Department of Botany, Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur, India.

His presentation began with explaining area of Northern Western Ghats and the medicinal plants present in the region. Sir also explained about a fascinating physical, emotional and spiritual

relation between plants and Man. Sir has focused on various important medicinal plants and their uses and future prospects as well as how the tribal peoples are still using these plants and plant parts to cure the various diseases.

Rapporteur, Dr. N. M. Dongarwar Professor & Head, Post Graduate Teaching Department of Botany, Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur, India has given the remark on the first technical session. He mentioned in his remark that in a wonderful way Dr. S. R. Yadav sir has focused the biodiversity and the importance of medicinal plants of Northern Western Ghats and how it is being benefited to the people of India. Also the researchers can do the study for further importance of medicinal plants. The session was identical, interactive and informative for all the delegates.

The **First Technical** session was ended at 12.40 PM

After the short break, the **Second Technical session** was conducted by **Prof. Raghavendra L.** Biodiversity Scientist, Professor and Head, Department of PG Studies, Research Methodology and Biostatistics, Dhanvantari Ayurveda College, Hospital & PG Research Centre, Siddapur (N.K.) Karnataka, India. And as a **chairperson Dr. R. S. Badere** Associate Professor, Post Graduate Teaching Department of Botany, Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur (MH) India.

In the **Second technical session Hon'ble Prof. Raghavendra L. sir** enlightened the participants on the history of medicinal plants of India.

His presentation began with explaining the various field of medicinal plants, their importance in rural as well as in urban region. He also discussed in detail about the research conducted on medicinal plants. Medicinal plant provides the several benefits for the sustainable development. He concluded the session by discussing about the scope and uses of medicinal plants. His presentation was very much helpful to all the participants.

Rapporteur, Dr. R. S. Badere Associate Professor, Post Graduate Teaching Department of Botany, Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur, India has given the pleasant remark on the second technical session. He mentioned in his remark that **Prof. Raghavendra L. sir** present a wonderful presentation on medicinal plants, their importance, scope and the uses. It will definitely helpful to the researchers, teachers and stake holders to update their knowledge and skills specially located in rural/backward/ remote areas. The session was very interactive and informative for all the delegates. The session was ended at 1.30PM.

There were 512 enthusiastic participants in all including students, research scholars, faculties and industrialist who participated in the conference.

Outcome: The conference was highly informative and beneficial to industrialist, faculties, Research Scholars, students and stakeholders. In short, the conference is provided valuable awareness and Insight on the various aspects of medicinal plants for the national health and wealth.

National E- Conference
On
"MEDICINAL PLANTS: NATIONAL HEALTH AND WEALTH"

Dr. A. D. Tiple, IQAC Co-ordinator	Mr. W. A. Khan	Mr. G. D. Tاجر
Dr. B. P. Ghole	Dr. M. K. P. Gaurde	Dr. S. B. Naghve
Dr. M. A. S. Shasthakar	Dr. M. V. M. Nikse	Dr. V. R. Pingale
Dr. S. S. Prashchhal	Dr. A. A. Patil	Mr. K. S. Dhanbhure
Dr. S. G. Nkhan	Dr. M. V. B. Badvak	Dr. P. R. Chaudhari
Dr. M. K. V. Marwark	Dr. M. S. P. Mankar	Mr. S. S. Maswar
Mr. S. D. Adde		

National Advisory Board

Dr. Sanjay Dule, Pro-Vice Chancellor, RTM Nagpur University, Nagpur.
Dr. Prashant Maheshwari, Dean, Faculty of Science & Technology, RTM Nagpur University, Nagpur.
Dr. N. S. Gajhiya, Vice Chancellor/Professor, IIT, Kanpur.
Dr. N. M. Dongarwar, Chairman, BOS, RTM Nagpur University, Nagpur.
Dr. D. P. Gogte, Head, Molecular Biology and Genetic Engineering, RTM Nagpur University, Nagpur.
Dr. C. Manoharachary, Emeritus Scientist and Ex-Dean, Osonia University, Hyderabad.
Dr. Anka Gupta, Department of Environmental Science & Engineering, Guru Jambheshwar University of Science & Technology, Hisar.
Dr. Harish Chander Dutt, Department of Botany, University of Jammu, Jammu.
Dr. A. B. Ade, Head, Department of Botany, Savitribai Phule Pune University, Pune.
Dr. S. S. Desokale, Professor, Savitribai Phule Pune University, Pune.
Dr. Romio Singh Malham, Centre for Biology, Nagaland University, Imphal.
Dr. A. R. Warghat, Senior Scientist, CSIR-IHBT, Kangra, Himachal Pradesh.
Dr. Manish S. Bhojar, Senior Scientist, CSIR-NBRI, Lucknow.
Dr. Phani Kumar, Scientist, Defense Research and Development Organization, Mysore.
Dr. S. Abdul Kader, Department of Plant Biology and Plant Biotechnology, Chennai.
Dr. M. C. Kale, Principal, Anand Niketan College, Anandnagar, Warora.
Dr. Ashish Sasankar, Principal, New Arts & Science College, Wardha.
Dr. Vilas Hodge, Principal, Arts & Science College, Pulgaon.

Invitation

All the principals, directors, professors, research scholars, students & other stake holders of Higher Education Institutions and Universities, from all over India are invited to participate in one day National E-conference on "Medicinal Plants: National Health and Wealth" on 04th March, 2022.

About Conferences

Medicinal plants contain valuable ethnobotanical information that could navigate new drug discoveries. The biological resources such as plants, animals and microorganisms exhibit bewildering properties wherein their whole parts or derivatives can be used for social, economic, environmental, traditional medicines, scientific and chemotherapeutic purposes. Plants are used as bulk ingredients in traditional medicines which provide the primary health services to 80% of the world's population. During COVID-19 global, financial and public health have become declined due to pandemic period. The current situation gives us the warning signal about scientific cooperation which is an important key while dealing with global, public health issues. Hence the present Theme-"Medicinal Plants: National Health and Wealth (MPNH-2022)" is appropriate topic to put the ideas in the present scenario. The research in biological sciences is necessary in order to provide safe and abundant food supplies for the growing global community with sustainable approach to protect our natural resources. The primary purpose of the present conference is to provide a platform to leading scientists, researchers, academicians, scholars and stake holders to exchange and share their experiences and research findings on all aspects of medicinal plants.

About College

Dr. R. G. Bhojar Arts, Commerce & Science College (Vidyabharti College) has inspired by Hon'ble Dr. Rajesh G. Bhojar with their innovative vision and Noble Mission "Gur: Sarvatra Pujate" which established in 2008. The college is recognized under section 2(f) & 12 (b) of the UGC Act 1956, is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University and accredited with B+ by NAAC in 2017. Our institute is only in Seloo Taluka, Dist: Wardha (Maharashtra) which gives service to rural flock to spread knowledge and provide quality education. This college is committed to impart quality education and to improve overall personality of the rural youths and make them to face the challenges of the competitive modern world. The college has Under Graduate Courses as well as Research Center in Commerce. The college has received Green Champion's Award. The institute has the Best Rural College and succeeded in caring a niche for itself in the field of education and has earned the trust and confidence of the society mainly because of its quality and value based education. The institute is located at rural area in Seloo and caters to need of 135 villages. The campus sprawling six acres with natural environment.
