The words "Collaborating institutes" in the Memorandum of understanding refer to the " Dr. R. G. Bhoyar Arts, Commerce and Science College seloo Dist-Wardha" And "Dr. R. G. Bhoyar Industrial Training institute, Nalwadi, Wardha"

The word 'First Institute' refers to Dr. R. G. Bhoyar Arts, Commerce and Science College seloo Dist-Wardha and the word 'Second Institute' refers to Dr. R. G. Bhoyar Industrial Training institute, Nalwadi, Wardha

## **Background**

The degree of Bachelor of Science mainly focuses on the theoretical knowledge with limited practical knowledge in laboratories, so there is need of some practical and technical knowledge for degree students,

Similarly the technical institutes such as industrial training institutes committed to give skill based training to the their students by giving them best and latest technical education and industrial knowledge. But students in such institute lack in basic and fundamental knowledge,

Therefore, to provide both fundamental knowledge and to provide hands on skill training in electrical device handling. there is need of Such MOUs for as above mentioned both types of institutes

## **Purpose**

- The pupose of this MOU will be to give hand on training for domestic electric fitting.
- To provide basic and fundamental education on current and electricity.
- To Conduct practical trainings on Electric wire fitting and repairing of electrical appliances.
- To Assist the students in various aspects of electricity such as wiring (residential, commercial and industrial), home appliances, electrical machines, lighting, electrical installations etc.

The above goals will be accomplished by undertaking the following training activities:

### **1. Technical Education in following areas.**

Wiring (residential, commercial and industrial), Lighting installation (residential, commercial and outdoors), Power generation, distribution and transmission systems, Insulators, Earthing, Capacitors and electrical circuits, servicing and repair of electrical appliances (motors, fans, pumps, home appliances, AC, fridge etc), Transformers, AC/DC systems.

2. Fundamental Education in following areas.

AC/ DC current, Kirchoff's law, Faradays Law of Electromagnetic Induction, working of Transformer, Dielectric, Concept of capacitance, Parallel plate capacitor, semiconductors and their types. Principle and working of LED, Solar Cell.

**Article-1 Student Exchange.**

- 1.1 Collaborating institutes will exchange students.
- 1.2 The First institute to will assist the students of second institute and will educate them in basic and funadamental knowledge.
- 1.3 The Second Institute to conduct training programmes and provide technical education for the students of First institute.
- 1.4 The facilities available in the respective institute shall be extended for the students development.

**Article-2 Training of Students**

- 2.1 Collaborating institutes will share technical knowledge for training and education of students.
- 2.2 Course completion certificates will be given to participant students.

**Article-3 Finacial Assistance**

- 3.1 The training fees will be born by first institute and will be paid to second institute.

**Article-4 Administration**

# Memorandum of Understanding

On Exchange of Students/Staff/Faculty

Between

New Arts Commerce and Science College, Bachelors  
Road, Nalwadi, Wardha MS- 442001

And

Vidyabharti College Seloo, Dist. Wardha

This Memorandum of Understanding (MoU) is effective as of 14<sup>th</sup> August 2020 to establish an affiliation by and between **New Arts Commerce and Science, Wardha MS-442001**, a higher learning and research-intensive institution, herein after referred to as **NACSC**, of the **FIRST PART**,

And

The **Vidyabharti College, Seloo**, a higher learning and research-intensive institution having its office located at, **Th. Seloo, Dist Wardha MS- 442104** here in after referred to as **VBC**, of the **Second Part**, for the purpose of exchange of faculty, staff and students.

The aforesaid institutions are here in after referred to individually as institute and collectively as institutes.

**Preamble:**

WHEREAS, **NACSC** and **VBC** have many areas of common interest in Arts, Commerce and Sciences, considerable advantage may be gained from their pursuit on a collaborative basis in the fields of academics, education and research.

NOW THEREFORE, **NACSC** and **VBC** have decided to enter into this Memorandum of Understanding (here in after referred to as **MoU** ), which defines the framework for the cooperation of the two institutions set out in the following sections.

**ARTICLE 1: OBJECT**

Two Institutes agree to develop the following collaborative activities in the academic areas of mutual interest, on a basis of equality and reciprocity.

The two institutions shall seek to promote:

**a. Faculty/Staff Exchanges**

- (i) The exchange of faculty to the mutual benefit of both institutions,
- (ii) Collaboration in teaching, research and development, and consultancy studies in the field of mutual interest,
- (iii) The exchange of academic materials and publications,
- (iv) Conducting lectures,
- (v) Undertaking joint research,
- (vi) Attachment of staff for purposes of curriculum development and review, attendance of courses, upgrading of teaching and research skills,
- (vii) Participating in seminars, symposiums, and other types of academic discussions,

- (viii) Co-supervising graduate and post-graduate students,
- (ix) Conducting study tours and joint consultancy work.

A specific plan will be worked out for each activity; setting forth detailed arrangements for collaboration will be agreed. Terms and conditions for each visitor an assignment or such exchange, including those concerning salary, travel funding, health insurance, and housing will be worked out between the institutes. A separate agreement will be entered into giving such details including term of exchange of any intellectual property.

#### **b. Student Exchange**

NACSC and VBC agree that student exchange will be guided by principles listed below. A home institution refers to the institution where a student is a full-time student, and from where he/she is expected to graduate. A host institution refers to an institution that receives a student for a brief period of time to undertake a pre-determined programme of study or research.

- a) Exchange students will be selected by mutual agreement between the home institution and the host institution.
- b) An exchange student will continue to be treated as full-time student at his/her home institution.
- c) An exchange student will be considered as full-time "exchange" student at the host institution.
- d) His/her programme of study at the host institution will be determined by mutual consultation between his/her academic advisor at the home institution and his/her "interim" academic advisor identified by the host institution.
- e) The host institution will evaluate an exchange student's performance in each course or module, award a letter grade or marks, and issue a letter to that effect.
- f) The home institution may award to the exchange student credits earned at a host institution, but only after the home institution has established correspondence between courses taken at the host institution vis-a-vis those offered at the home institution.
- g) NACSC and VBC agree to provide suitable accommodation and living expenses for student exchange.
- j) To avail travel expenses, students can apply for existing funding programs at their respective home Institutions.

#### **c. Other Areas:**

- (i) to exchange information on research and educational programs,
- (ii) to exchange information on teaching, learning material and other literature relevant to their educational and research programs,

- (iii) to jointly organize short-term continuing education programs on topics of mutual interest and to invite each other's faculty to participate there in,
- (iv) to organize jointly webinars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate there in,
- (v) to propose and engage jointly in research or training programs sponsored by funding agencies, and to invite each other's faculty to participate there in,
- (vi) to exchange, on a reciprocal basis, students at Undergraduate, Graduate and Post Graduate for limited periods of time for purpose of education and /or research,
- (vii) the provision of cultural and intellectual enrichment opportunities for staff and students of two institutes,
- (viii) to use laboratory facilities in specific cases for a limited period,
- (ix) to permit students, staff and faculty members to use library facility.

NACSC and VBC agree that detailed terms and conditions that guide each activity identified above will be determined separately and agreed upon by the two institutions. These terms shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation.

#### **ARTICLE 2: COORDINATION**

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf. Further, a coordination committee consisting of a programme coordinator from the side of NACSC, and a programme coordinator from the side of VBC, will periodically review and identify ways to strengthen cooperation between the two institutions.

#### **ARTICLE 3: CONFIDENTIAL INFORMATION**

NACSC and VBC does not absolve any confidential information during the research activity.

#### **ARTICLE 4: INTELLECTUAL PROPERTY RIGHTS**

Ownership of any intellectual property (including but not limited to confidential information, know-how, patents, copyrights, design rights, rights relating to computer software, and any other industrial or intellectual property rights) developed jointly during the course of this MoU shall be vested in two institutes to this Memorandum.

Two institutes shall have the joint right to determine the commercial exploitation and disposition of such intellectual property, and two institutes shall make joint applications for

the registration of the same. Before any registration or commercialisation of any intellectual property takes place, the institutes agree to reach a separate agreement covering issues such as exploitation rights and revenue sharing.

Any publication regarding such intellectual property shall only be possible with the prior written consent of both institutes, such consent not to be unreasonably withheld.

NACSC and VBC shall be free to use perpetually the results arising out of the collaborating activities for its own internal teaching, research, educational, clinical and publication purposes without the payment of royalties or other fees to the other party.

#### **ARTICLE 5: VALIDITY**

The Memorandum shall remain in force for a period of **THREE** years commencing from effective date. Institutions may extend the term by written agreement signed by both after review.

#### **ARTICLE 6: TERMINATION**

Either institution may terminate the MoU by giving written notice of six months in advance to the other institution. Once terminated, neither NACSC and VBC will be responsible for any losses, financial or otherwise, which the other institutions may suffer.

However, NACSC and VBC will ensure that the provisions of this Memorandum shall continue to apply to all activities in progress until their completion.

#### **ARTICLE 7: AMENDMENTS / MODIFICATIONS**

This MoU may be amended or modified by a written agreement signed by the representatives of two institutes.

#### **ARTICLE 8: ADHERENCE TO LAWS**

Participating faculties, staff and students involved in any activities under this Memorandum must adhere to the law of the host countries and rules and regulations of the institutions.

**ARTICLE 9: LEGAL EFFECT**

Nothing in this Memorandum shall be construed as creating any legal relationship between the institutes. This Memorandum is a statement of intent to foster genuine and mutually beneficial collaboration.

**ARTICLE 10: DISPUTE RESOLUTION**

In case, there be a dispute relating to any aspect of academic cooperation, **Principal, NACSC** and **Principal, VBC** will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

**NACSC** and **VBC** welcome the establishment of this Memorandum for cooperation and jointly agree to the provisions as set out above.

## Memorandum of Understanding

Between

**Dr. R. G. Bhoyar Arts, Commerce and Science College, Seloo, Dist.  
Wardha - 442104**

**(Vidyabharti College, Seloo, Dist Wardha)**

And

**Edibinsect Agro Industries, At post Manjarwadi, Swami Nagar mala,  
Taluka - Junnar, District - Pune 410504**

This Memorandum of understanding (MOU) is on 20<sup>th</sup> of August 2022 signed between the Dr. R. G. Bhoyar Arts, Commerce and Science College, Seloo, Dist. Wardha and Edibinsect Agro Industries, At post Manjarwadi, Swami Nagar mala, Taluka - Junnar, District - Pune. This partnership is important for addressing the goals and challenges facing by the farmers involved in Black Soldier Fly farming as well as to exchange ideas, knowledge, and new methodologies, recent technologies of this sector.

Black soldier fly farming is done in order to produce the maggots which feed on different types of organic waste and control the environmental pollution. Maggots consumes the organic waste food up to 50% and gain biomass in the form of 40-45% protein and 30-35% lipids as well as vitamins and minerals. Fully grown maggots can be used as livestock feed. In India black soldier fly farming is an emerging technology, the farmers are unaware about this sector, they have lack of knowledge and very few farmers are involved in this sector.

In order to fulfil this gap this MOU is done which has following purposes and the goal

### **Purpose and goals**

- 1) This MOU is important for the development and flourishing of BSF technology.
- 2) To enhance the interest in BSF technology among farmers, students and different organisations.
- 3) To bring together the farmers, give knowledge of BSF farming, to increase the number of farmers which will start the BSF farming.
- 4) To spread the knowledge of BSF farming among school and college students.
- 5) To spread the awareness for reduction of the organic waste, save the environment and to develop sustainable Nation.

The above goals will be accomplished by undertaking the following activities.

- 1) The above goals will be achieved through conducting various workshops, seminars, guest lectures, where there will be exchange of new ideas, knowledge, materials, products, etc.
- 2) BSF farming knowledge will be given to the students by training courses like one-to-3-month training courses in co-ordination with both the partners.
- 3) By organising virtual farm visits.
- 4) Knowledge sharing in between these two organisations will be by telephone and by post.

**Funding-** This MOU does not involve any commitment of fund sharing.

**Duration-**

This MOU is at will and may be modified by mutual consent of authorised officials from Dr. R. G. Bhoyar Arts, Commerce and Science College, Seloo, Dist. Wardha and Edibinsect Agro Industries. At post Manjarwadi, Swami Nagar mala, Taluka - Junnar, District - Pune. This MOU shall become effective upon signature by the authorised officials from the Dr. R. G. Bhoyar Arts, Commerce and Science College, Seloo, Dist. Wardha and Edibinsect Agro Industries. At post Manjarwadi, Swami Nagar mala, Taluka - Junnar, District - Pune and will remain in effect from 20th of August 2022 to 21<sup>st</sup> August 2024 or until modified or terminated by any one of the partners by mutual consent.
