ABOUT SANSTHA

Vidyaharti Sanstha, Wardha has set an illustrious example in education over the last two decades in rural areas, reaching beyond the boundaries of knowledge. This group includes many colleges, including Dr. R.G. Bhojar Arts, Commerce, and Science College in Seloo, Wardha. Dr. Rajesh Bhojar, an eminent scholar and philanthropist, founded Dr. R.G. Bhojar Arts, Commerce & Science College in 2003. He founded this college in Seloo, Wardha, with Mahatma Gandhi's ideals as a holistic foundation. A practical approach to teaching methods prepared students in rural areas to face life's challenges boldly and opened students for collaborative academic competition. Through innovative educational programmes, this Sanstha strongly believes in imparting and propagating knowledge and practical skills in core and frontier areas of all major fields of Science, Arts, Commerce, and Management in rural areas. Students are developed into a new group of professionals with exceptional competence, a strong sense of life values, and a strong commitment to their responsibilities to both professor and nation. Students are mentored rather than taught and are guided to success rather than forced to pursue academics.
