

Vidyabharti College, Seloo

Wardha-Nagpur Highway, Seloo

B⁺ Grade by NAAC

Institutional Distinctiveness

(2019-2020)

To Start PG Courses:

College has started PG courses for science stream because more than 60 students appear for PG in every academic year. In and around Wardha district many colleges don't have PG courses therefore to make them convenient for Higher Education.

Enhancing academic excellence:

For enhancing academic excellence, the college has increased ICT facilities for the students, to arrange more guest lectures, seminars and study tours as well as straighten MOU of faculty exchange programme.

Enhancement of Infrastructural Facilities:

Due to increase in number of students year by year, the college has increased infrastructure facilities of classrooms, laboratories and other related facilities.

To Start More Skill Development Courses:

College has three short term courses already by the department of Zoology, commerce and Language respectively but more entrepreneurship and development programme has started during the session.

To develop social compatibility of the students by giving them better opportunity to interact with social issues through NSS:

The department of NSS has already engaged in various outreach programmes but to enhance more social responsibilities among the students therefore, through the residential NSS camp, NSS unit did the fundamental work in rural village.
